

Klassbollen

2017

20-21 May 2016 • Dotorp area

Klassbollen will be played on the 20th and 21th of May and all students in class 0 (förskoleklass) to grade 7 in Falköping are welcome. Born 2003-2011.

In the classteam there are seven players (**at least two girls and two boys in the field at the same time**). During two days there will be full speed on Dotorp and the ambition is to have fun together and increase contact between both pupils and schools.
