

## **30-31 of may 2015 • Dotorpsområdet**

Klassbollen will be played 30 and 31 of may for all students in class 0 (förskoleklass) to grade 7 in Falköpings kommun.

In the classteam there are seven players (at least two girls and two boys on the field at the same time). During two days there will be full speed on Dotorp and the ambition is to have fun together and increase contact between both pupils and schools. In this way we combat bullying, racism, drugs and violence!

You register your class through a link on the home page: [www.klassbollen.se](http://www.klassbollen.se)

More information are available and will come in continuously. Each class should have a responsible parent who collects the money and make sure to pay the registration fee no later than 24 April.
